Ready to Go

AN ART AND FASHION STORY BY NICOLE LEE USA

The inspiration behind this artwork is about being ready to move forward. I've rested enough. I've had my time to slow down, and now even my little dog is looking at me as if to say, "Come on, it's time to go for a walk."

That reminds me of life.
We cannot rest forever. Life is always moving, and sooner or later, we have to get up, go to work, face new challenges, and keep moving forward.

But "Ready to Go" means something more to me. It also means being ready to start a new chapter in life.

I have always tried to be optimistic. Whatever happened yesterday is already behind me. There is always another place to go, another opportunity to discover, and another chapter waiting to begin.

Sometimes we need to rest. Sometimes we need to stop.
But eventually, we have to get up and say:
"I'm ready. Let's go."

Because life keeps moving, and so will I.

Listo para ir

UNA HISTORIA DE ARTE Y MODA POR NICOLE LEE USA

La inspiración detrás de este arte es estar listo para seguir adelante.
Ya descansé suficiente. Tuve mi tiempo para parar y recuperar energía, y ahora hasta mi perrito me mira como diciendo:
"Vamos, ya es hora de salir a caminar."

Y eso me hace pensar en la vida.
No podemos descansar para siempre. La vida siempre está en movimiento. En algún momento tenemos que levantarnos, trabajar, enfrentar nuevos retos y seguir adelante.

Pero para mí, "Ready to Go" significa algo más.
También significa estar listo para comenzar una nueva etapa de la vida.

Siempre trato de ser optimista. Lo que pasó ayer, ya pasó. Hoy hay otro camino, otra oportunidad y una nueva historia por comenzar.

A veces necesitamos descansar. A veces necesitamos parar.
Pero llega un momento en que tenemos que levantarnos y decir:
"Ya estoy listo. Vamos."
Porque la vida sigue avanzando, y yo también.
